Install MOD Download now My name is Dr.Wendgames, I'm not sure if anyone's reading this, but here it is! I'm a 4,085-year-old alien who likes to write books, poems and anything else. I read books about how much most people drink water, and almost I have it with me. I play a lot of Tabletop RPGs (especially and Dragons, but it's not the only one I'm playing) and I've only recently started painting miniatures. I love Doctor Who, The Legend of Zelda, Star Trek (mostly the original series), Warehouse 13, Game of Thrones, Supernatural, Harry Potter, Lord of the Rings, DC and Marvel Comics, and almost every other nerd fandom you can find. I play a few instruments, but my favorite thing to play is the electric violin. I also have 3.5, 75 and 29 gallon tanks of freshwater fish full of small aquatic creatures.
